BE A LITTLE PRINCESS OR A SUPERHERO FOR A DAY!

Here at Little & Pink Boutique we make our cherished little Princess dreams into reality, with twirling Princess dresses including the stylish custom made maxi tutu dresses complimented with Tiaras and Fairy wings.

Our bespoke Princess dresses are handmade to fit, giving the required attention to detail to ensure quality garments are received by our customers.

Perfect for your little Princess on occasions such as Garden Tea parties, or with friends on that special party day.

We offer a selection of Princess & Superhero parties where Princesses can dress up with a little touch of glitter and gloss and your little Princes can also enjoy being boys and superheroes for the day too.

Superheroes get to dress up in their favourite superhero cape and eye mask and Wham! Bam! Zap! Pow!

All this is captured behind the lens to have that magical keepsake memory alive for ever with our fun mini photo shoot.
